SUMMER CAMP
JUNE 17 - AUGUST 9, 2019
FOR AGES 6-14

FARM TO TABLE COOKING • MINECRAFT CODING • ROCK CLIMBING • WILD WORLD OF ART • SOCCER • FASHION DESIGN
VIDEO PRODUCTION • DELICIOUS DESSERTS • VOLLEYBALL • 3D MODELING • CARDBOARD ARMOR • LEGO ENGINEERING • BASKETBALL
PHOTOGRAPHY • YOUTUBERS • ADVENTURE DAY CAMPS • MIDDLE SCHOOL CAMPS • AND MORE!

In partnership with:

FINANCIAL ASSISTANCE AVAILABLE

CAMPS FILL UP! REGISTER ONLINE @ BGCSONOMA.ORG
Dear Sonoma Families,

As the largest provider of youth summer activities in Sonoma Valley, Boys & Girls Clubs of Sonoma Valley is proud to provide our community educational and enriching summer programming that helps youth improve academically and socially.

During the eight week period, from June 17 – August 9th, youth from ages 6-14 may participate in more than 60 unique camps that explore a variety of subjects such as art, science, sports, history, engineering, cooking, digital arts and media and more. Select camps also offer field trips, which may include a visit to Bodega Bay, a trip to Vertex Climbing Gym, or an excursion to San Francisco to visit the Exploratorium.

Middle School members will also once again have the opportunity to actively participate in a wide variety of programs that will capture their attention and stimulate their curiosity. From camps such as Cooking, Volleyball, California Adventure, and Gone Camping, they will have a chance to discover new passions and the world around them.

Our Maxwell Clubhouse, located in Maxwell Farms Regional Park is open from 7:00am to 7:00pm daily, to accommodate the needs of working parents, with Specialty Camps and Day Camps taking place in the morning from 9:00am–12:30pm, youth can also participate in “Open Club,” which is free to all members and offers additional daily hands on activities and free lunch, from 1:00pm–7:00pm. Our Camps range from $100 per week to $185 per week. All youth must be a current BGCSV member for the 2019/20 academic school year to participate in summer programs.

We believe that Summer Camp is vital to ensuring that youth of all demographic and economic backgrounds have the opportunity to participate in safe, enriching, and healthy summer activities. Boys and Girls Clubs of Sonoma Valley is committed to making our camps available to all children. The Club is able to offer scholarships, sliding scale and payment plans to individuals and families whose financial circumstances would prevent their children from participating in our programs.

Our dedicated staff look forward to making this yet another fun and exciting SUMMER FOR ALL!

With gratitude,

Cary Leigh Dacy
President & CEO
Boys & Girls Clubs of Sonoma Valley

Joe Hardeman
Director of School Programs & Education
Boys & Girls Clubs of Sonoma Valley
## CAMP SESSION GRADE FEE

MEMBER CODE OF CONDUCT

As a member of Boys & Girls Clubs of Sonoma Valley, I am fully committed to:

• Participating in Club events and activities and following all club rules
• Treating Staff, adults, and other members with Respect
• Lending a helping hand when needed
• Valuing other cultures and individual differences equally
• Doing my part to keep the building, property, and equipment clean, neat and working properly
• Being friendly to all and demonstrating a positive attitude
• Striving to do my best in everything I do
• Representing the Club’s values, both in the Club and when I am outside the building
• Taking responsibility for my choices and the results from making those choices
• Using appropriate language and good manners at all times

PARENT AND VISITOR CODE OF CONDUCT

As a parent or visitor of Boys & Girls Clubs of Sonoma Valley, I am fully committed to:

• Treating Staff, adults, and other members with Respect
• Valuing other cultures and individual differences equally
• Doing my part to keep the building, property, and equipment clean, neat and working properly
• Being friendly to all and demonstrating a positive attitude
• Respecting and reinforcing the Club’s values while in the Club
• Modeling appropriate language and behavior at all times
• Following club policies and procedures at all times
• Supporting Club events and activities whenever possible
• Voicing concerns and ideas for improvement to Staff
• Reading all posted materials
• Having a supportive and Cooperative Partnership with Staff
**ART CAMPS**

$175 per session | 9:00am – 12:30pm  
Grades 1–5

**Trash to Treasure**  
Every day this week is Earth Day in the Art Room! This week, we will challenge ourselves to think about our environment while making art projects from recycled materials. In this fun camp, members will learn about the environment and how to better preserve it while being creative, through recycling crayons, newspaper prints, egg carton crafts, and mosaics using found materials, and so much more!  
Session 1: June 17–June 21  
 session 3–5

**Fairytales and Legends**  
This week is all about mythical and extraordinary creatures, rainbows, and sparkles as we create all things cute and whimsical! We will be making our own animal ears, adorable plushies, and inventing creatures that inhabit our own, special imaginary world. Come join us as we paint in pretty pastels, design our own fantasy creatures, and make things out of fluffy yarns and fabrics! Don’t forget to bring your imagination!  
Session 2: June 24–June 28  
Grades 1–3

**Ceramics**  
Grab an apron and let’s get our hands dirty! In ceramics camp, we will be creating several hands-on projects that will build creativity and confidence! Make sculptures and pots all while learning skills such as hand building and wheel throwing, glazing and firing, and planning and design. Your little ceramicist is sure to have a blast in Summer Ceramics camp!  
Session 4: July 8–July 12  
Grades 3–5

**Global Creations**  
Pack your bags and get ready to go on a whirlwind adventure through art! This week, we will travel the globe and create artwork inspired by cultures from around the world! Design a Tibetan mandala, learn sumi-e painting from Japan, and create Faberge style eggs from Russia! Each day we will explore a different part of the world and celebrate all of the extraordinary creatures that live there. Come join us on our artistic exploration around the world!  
Session 6: July 22–July 26  
Grades 1–3

**In Your Own Backyard**  
This week, we will look to our beautiful town of Sonoma as our muse and get inspired by our natural surroundings! We will be making nature collages, creek paintings, and even our own terrariums! Each day we will create new projects that are inspired by nature and learn about the plants and animals that we share our beautiful town with. We will even create recycled art and learn different ways we can help our amazing environment continue to thrive.  
Session 7: July 29–Aug 2  
Grades 1–3

**TECH & ENGINEERING CAMPS**

$175 per session | 9:00am – 12:30pm  
Grades 5–8

**Basic Electronics**  
Attendees will go on a journey into the wonders of simple circuits. They will begin with learning how electricity flows and create their first circuits. The camp will cover basic soldering and the both parallel and series circuits. The culmination of the camp will allow youth to create their own electronic masterpiece using cardboard and hot glue and spare parts from older electronic components.  
Session 1: June 17–June 21  
Grades 5–8

**App & Game Developers**  
What if you could design and make a video game or app of your own? There are millions of apps out there for android and apple devices alike. With the power of MIT’s app inventor, youth will have the opportunity to create their very own android app. Utilizing all aspects of the android device; microphone, camera, bluetooth, etc, attendees will learn to attach code to different components molding and testing their apps. This camp will allow youth to not only learn the process of app creation, from brainstorming, to debugging, but also take their work home with them, allowing for further creation.  
Session 2: June 24–June 28  
Grades 5–8

**Lego Robotics**  
The Lego Engineering Camp introduces campers to the fun and excitement of engineering. Participants will learn how to build and program robots using Lego Mindstorms robotics kits and tackle unique engineering challenges every day, while building problem-solving skills and learning programming fundamentals.  
Session 5: July 15–July 19  
Grades 3–5

**Jr Engineers**  
Design, build, test, repeat! In Jr Engineers camp, it’s all about innovation! Campers will spend the week exploring the many aspects of engineering through creative and hands-on building activities designed to challenge and grow our next generation of engineers! Experiment with Rube Goldberg contraptions, design a mini architectural masterpiece, and finish out the week with the ultimate challenge...the legendary egg drop!  
Session 6: July 22–July 26  
Grades 1–3

**Minecraft Coding**  
This camp will offer campers the opportunity to learn the basics of coding in a game-based creative environment. Campers will use Minecraft.edu to solve problems and develop interactive games to share. They will walk away with a basic knowledge of what it takes to create code and how it is used to design and build things.  
Session 6: July 22–July 26  
Grades 5–8
MAKER CAMPS
$175 per session | 9:00am – 12:30pm
Grades 1–5

Fiber Arts
Get ready to weave, sew, knit, and dye as we explore the amazing world of Fiber Arts! We will be creating all kinds of projects using fabrics, threads, and yarns. We will be learning different dye techniques from around the world, creating fabulous fabric collages, and even learning how to weave our own textiles. If you love to work with your hands and make some beautiful 3-dimensional art, this is the camp for you!

Session 1: June 17 – June 21 Grades 3–5

What’s Inside?
Every young scientist and engineers find themselves asking this important question, and here is their perfect opportunity to discover. The only limit is curiosity when you have the right tools in hand. From electronics to stuffed animals, baseballs to clocks, it’s time to find out! Once you’ve satisfied your itch to investigate, challenge yourself to put it back together, or better yet, create something brand new!

Session 2: June 24 – June 28 Grades 1–3

Sewing
Using a variety of needles and colorful fabric, we’re going to learn the ins and outs of hand sewing. We’ll use our imagination to craft unique animals, creatures, and accessories out of fabric and thread. This is not your grandma’s sewing class!

Session 3: July 1 – July 5 Grades 3–5

Toymakers Workshop
Hack your favorite toys and build the toy of your dreams! In toymaking camp, fun is the name of the game as we spend the week crafting, creating, and playing with our very own, custom designed toys!

Session 4: July 8 – July 12 Grades 1–3

Fashion Design
The world is your runway this week in Fashion Camp! Learn about different stages of fashion production; from creating a sketch to making the final garment. We will learn about techniques in fashion illustration design principles, and how to sew with different types of fabric. Campers will even create their own fabrics using painting techniques and an all-time favorite, tie-dye! At the end of the week, members will produce their own fashion show, where they will walk their designs down our BGC runway!

Session 5: July 15 – July 19 Grades 3–5

Tinkering
Join us in Tinkering Camp for some fun, hands-on building! Using real electric motors and real tools, campers this week will explore the world of tinkering! Build a car, a rollercoaster, or whatever you imagine in this camp the sky is the limit!

Session 6: July 22 – July 26 Grades 1–3

Jewelry Design
Learn about the tools of the jewelry-making trade as we create one-of-a-kind jewelry, including; beaded bracelets, mini sculpted clay charms, and colorful earrings. We will dabble in metalwork, fused beads and rock tumbling, and even make our own jewelry boxes to keep our treasures in!

Session 7: July 29 – Aug 2 Grades 3–5

Inventor’s Workshop
Calling all inventors! Inventor’s laboratory is the place where creativity, innovation, and imagination come together, and new ideas come to life! Campers will be presented with challenges that encourage hands-on discovery, creativity, team work and planning. What will you invent?

Session 8: Aug 5 – Aug 9 Grades 1–3
**STEM CAMPS**

$175 per session | 9:00am–12:30pm

Grades 1–5

---

**Boldly Go!**

It’s a great, big universe out there and we can’t wait to have your budding astronaut come with us to explore our solar system! What makes a planet a planet? How can we tell the difference between meteors and asteroids? What even IS gravity?! All these and more will be covered in talks, experiments, and games in this exciting new foray into space travel and exploration. Come along, let’s Boldly Go!

Session 1: June 17 – June 21
Grades 1 – 3

---

**Science Olympics**

Sign up for a challenge-based week of activities that allow campers to work together to solve physics-based problems and develop innovative solutions. Example activities: egg drop, mousetrap car, catapult/trebuchet, bridge building and more!

Session 2: June 24 – June 28
Grades 3 – 5

---

**Jr Rangers**

Get ready to experience the great outdoors! In this down to earth week, campers will explore the wonders of their own backyard. Emphasizing ecology plant and animal interactions, spending time outdoors and exploring various habitats of Sonoma are just a few of the amazing adventures awaiting you!

Session 4: July 8 – July 12
Grades 1 – 3

---

**Projectiles in Motion**

Ready. Aim. Fun! Let’s launch into a week full of potential (energy). Bows and arrows, catapults, marshmallow shooters, and potato launchers are just the beginning of our journey through engineering’s classic ways to make objects soar to new heights.

Session 5: July 15 – July 19
Grades 3 – 5

---

**Icky Sticky Science!**

Science isn’t always clean, but at BGC, it’s always fun! In this hands-on camp, our scientists-in-training will observe the relationships between temperature and spoilage, how smell travels, and all the fun (and messy!) experiments that go with it. This camp will be exciting for your scientist!

Session 3: July 1 – July 5
Grades 1 – 3

---

**Spy Camp**

Time for spy training. This week, members will be presented with team based challenges focusing on stealth, code breaking and time management. They will need to use cunning, and logic to maneuver both physical and social trials meant to establish a sense of challenge, camaraderie and accomplishment as they maneuver and overcome these fun challenges.

Session 4: July 8 – July 12
Grades 5 – 8

---

**Weird Science**

Sign up for exciting times with weird and wacky science experiments that are too fun to ignore and have been proven favorites of past summers. Fun and educational at the same time this week will include slime, elephant toothpaste, crystal growing, and walking on Oobleck.

Session 7: July 29 – Aug 2
Grades 1 – 3

---

**Energize!**

Have you ever wondered where electricity comes from, or how we harness it? Maybe you have questions about how gasoline and coal are used. Perhaps you want to leave the world a better place with the use of alternative sources like wind and solar energy to power your everyday appliances? These are all amazing questions with equally amazing answers as we spend the week looking at energy, it’s use, it’s consumption, and perhaps find better methods than our current options. After all, it’s a bright future let’s make it the brightest!

Session 8: Aug 5 – Aug 9
Grades 3 – 5
Soccer
Soccer camp is a great place for any soccer enthusiast who is looking to improve their skills, work hard, and have fun! Headed up by an enthusiastic coach, the camp introduces the core skills of dribbling, passing, and goalkeeping—all in a fun and friendly training environment. Shin guards will be provided, cleats optional (please no metal cleats).

Session 2: June 24 – June 28  Grades 4 – 6
Session 5: July 15 – July 19  Grades 1 – 3

Basketball
Join us for a fun week of basketball! We will focus on skills ranging from passing, running, shooting, and ball handling, as well as knowledge of game play and rules, all in a friendly and age-appropriate environment. This will be a fun and dynamic camp, led by a highly-skilled and passionate youth coach. Campers will walk away with new skills, ready for the season!

Session 3: July 1 – July 5  Grades 3 – 5

Volleyball
Volleyball is one of the most fun and exciting team sports! Delivered in an appealing and engaging way, this co-ed camp helps each athlete develop the fundamental skills of the game through game-speed drills and scrimmages. This camp is aimed at developing the whole player. Campers will have a great time as they learn new skills and make new friends!

Session 6: July 22 – July 26 Grades 3 – 5

Can We Do It?
This camp incorporates strength, intelligence, quick thinking, agility and most of all, teamwork. Attendees will be given a series of challenges which heavily encourage teamwork. Leaders will emerge and hidden talents revealed.

Session 7: July 29 – Aug 2  Grades 5 – 8

SPORTS CAMPS
$175 per session | 9:00am – 12:30pm
Grades 1–6

iMovie
In this exciting camp, our younger campers will learn about the basics of film making as they learn to film and edit their own iMovies. They will have an opportunity to film their own short videos, explore storytelling, and learn the ins and outs of video production. Kids will take home their creations to share with friends and family.

Session 8: Aug 5 – Aug 9  Grades 3–5
**COOKING CAMPS**

$175 per session | 9:00am–12:30pm
Grades 1–5

**Around the World**
Let’s travel this Summer! In this adventurous camp, our little chefs will imagine themselves to apprentice in kitchens around the world exploring new culinary regions each day. Campers will learn and practice essential cooking concepts and techniques as they create delicious dishes.

- **Session 1:** June 17 – June 21  Grades 1–3
- **Session 2:** June 24 – June 28  Grades 3–5

**Farm Fresh**
Come and celebrate the fresh and local ingredients that only the Sonoma Valley harvest can offer. In this camp- focused on all things local, fresh and delicious- our little chefs will learn simple cooking techniques and tasty recipes using fresh and healthy ingredients from the farmers market and local gardens!

- **Session 3:** July 1 – July 5  Grades 1–3
- **Session 6:** July 22 – July 26  Grades 3–5

**Baking Wars BGC Edition**
It’s all out competition in the kitchen this week! Using fundamentals learned throughout the week, campers will gain the skills needed for an exciting Baking Wars competition! Team work and creativity will be on your side as campers compete against each other and the clock to see who can make the most delicious creations using challenge ingredients!

- **Session 4:** July 8 – July 12  Grades 3–5

**Baking Bootcamp**
Cakes, cookies, and pies...oh my! Join us on a delicious and creative adventure through the sweet world of baking. Campers will learn kitchen fundamentals; following recipes, measuring, mixing, timing, and kitchen safety while making delicious cakes, cookies, pies, and more!

- **Session 5:** July 15 – July 19  Grades 1–3

**Brunch @ BGC**
Our favorite sweet and savory brunch ideas will make mornings extra special this week. Your chef-in-training will be crafting lavish treats such as French toast, scones, coffee cake, waffles with all the toppings, and more! This is a camp worth waking up for!

- **Session 7:** July 29 – Aug 2  Grades 1–3
- **Session 8:** Aug 5 – Aug 9  Grades 3–5

---

**CLIMBING CAMPS**

$185 per session | 9:00am–12:30pm
Grades 1–5

**Climb for Smalls**
Bring your young climber for a week of climbing adventure! Rock climbing develops mental focus, flexibility, confidence, and strength. Throughout the camp, climbers will be challenged to maximize their potential in all these areas. Campers will be instructed on climbing safety rules and basic climbing techniques such as; traversing, knot tying, and top roping. Each week will include a field trip to a climbing gym!

- **Session 2:** June 24 – June 28  Grades 1–3
- **Session 5:** July 15 – July 19  Grades 1–3
- **Session 8:** Aug 5 – Aug 9  Grades 1–3

**Climb for Olders**
Bring your young climber for a week of climbing adventure! Rock climbing develops mental focus, flexibility, confidence, and strength. Throughout the camp, climbers will be challenged to maximize their potential in all these areas. Campers will be instructed on climbing safety rules and basic climbing techniques such as; traversing, knot tying, and top roping. Each week will include a field trip to a climbing gym!

- **Session 1:** June 17 – June 21  Grades 3–5
- **Session 4:** July 8 – July 12  Grades 3–5
- **Session 7:** July 29 – Aug 2  Grades 3–5
DAY CAMPS
$100 per session | 9:00am – 12:30pm
Grades 1–5

California Adventures
It is time to honor the great Golden State with an action-packed week filled with activities dedicated to all things CALIFORNIA! Members will come together to participate in fun activities like learning about the rich history of the California gold rush, panning for gold, constructing a model Golden Gate Bridge and creating their own California Bear Flag. Please join us as we celebrate the California dream.
Session 1: June 17 – June 21

S.T.E.A.M. Week
Full STEAM ahead this week as we immerse ourselves in the exciting world of STEAM! STEAM stands for; Science, Technology, Engineering, Art, and Math, and we will be bringing these elements to all of our activities at the Club this week. Building, creating, inventing, art, and science are all on the agenda this week as we get hands-on and participate in challenges, use math to create art, cook food in a solar oven, and much more!
Session 2: June 24 – June 28

Water Week | Reduced Rate $60
Let’s celebrate 4th of July week with a splash. Campers will enjoy a fun filled week drenched with fun in the sun activities, water balloon games, splash dodgeball, and water slides. Don’t miss out on this splashapalooza party!
Session 3: July 1 – July 3

Art Around the World
Get ready to roll up your sleeves and dive into world of art as we tour different countries to learn about their cultures through art. Our young travelers will study and build the Egyptian pyramids, research the rich history of the Chinese Dragon, as well as master the art of weaving a Mexican Serape (blanket). Who’s ready to travel this summer?
Session 4: July 8 – July 12

Decades
Come join us as the Boys & Girls Club rewinds the clock and takes members back to the most influential decades of the last century. Join us for the roaring 20’s, the golden age 50’s, groovy 70’s, the rad 80’s, and the fly 90’s.
Session 5: July 15 – July 19

Pixels
Level Up! Take a dive down the warp tube this week as our Club becomes a giant video game! Gaming is the theme of the week, and we are going to incorporate video games into our camp in some really unexpected ways! Play Super Mario Bros in real life, as we transform our gym into a game level. Create pixel art using fuse beads and Legos, experiment with making gliders to glide to safety, and play a big game of backyard Angry Birds out in the grass. Don’t let time run out on this fun camp, sign up today!
Session 6: July 22 – July 26

Olympic Week
This week we’re going to take an adventure through the Olympic Games with some AWESOME activities. Athletes from all over the world have competed in the Games since ancient times. This week members will come together to celebrate, learn and compete! Each group will create their own team flags, and have an Opening and Closing Ceremony Celebrations. We have a great mix of activities; some inspired by actual Olympic events and others that focus on teamwork and cooperation. Let the Games BEGIN!
Session 7: July 29 – Aug 2

Water Week
Let’s send off the last week of Summer with a splash! Come squeeze the last drop of fun out of Summer by building boats, making giant bubbles, and playing a TON of wet & wild games! Campers will finish out the week and say “goodbye Summer 2019” with an unforgettable Splashapalooza party!
Session 8: Aug 5 – Aug 9

AFTEIRNOON “OPEN CLUB”
1pm – 7pm | Maxwell Clubhouse
Grades 1–5

Eight weeks of fun projects and engaging learning in the afternoon. The same theme and format of the Adventure Day Camps will continue in the afternoon OPEN CLUB program with additional hands-on learning activities.

We offer free lunch from 1:00pm to 1:15pm. Programs are both inside and outside and we recommend that your child comes prepared to be active.

Some recommendations are comfortable shoes, a water bottle, a backpack for their belongings and a healthy snack. Please apply sunscreen on your child before coming to The Club.
Fiesta Time
Come explore the fresh side of summer by celebrating the different cultural experiences and have a wonderful time making great snacks to refresh you on a hot summer day. From fresh Lemonade, fruit bowls, playing fiesta-inspired games, dancing to the Macarena, and making a fresh garden salsa. Show us your creativity by decorating your own sugar skull and making your own Sombrero. The week will end with a homemade taco bar and a fiesta inspired scavenger hunt!

Session 1: June 17 – June 21

Challenge Madness
Are you up for the challenge? This week is filled with physical and mental challenges, arts and crafts, and plenty of team building activities that will have you not only striving to be the best, but also challenging you to try something new! Compete in relay races, Minute to Win It challenges, fashion show competitions, cupcake wars, kickball, scavenger hunts, trivia games, and more. End the week with a trip to Double Decker Lanes in Petaluma. We dare you to take the challenge!

Session 2: June 24 – June 28

Sweet, Treats, S’mores | Reduced Rate $60
This week we will put on our chef hats and learn how to make pies, s’mores, brownies, cookies, cupcakes and more. While we wait for our treats to bake, we will spend time on the field and play fun sports games like capture the flag and kickball.

Session 3: July 1 – July 5

Party in the USA
We are celebrating the 4th of July by heading cross country and celebrating our nation’s great traditions. We will be making stops in Texas for some trick roping, Hawaii for a classic luau and of course New York where we will take a crack at making their world-famous New York style pizza, apples pies, fruit tarts, cheesecakes, brownies, cookies, cupcakes and more. While we wait for our treats to bake, join us on the field to play some all American sports or create some patriotic art.

Session 4: July 8 – July 12

Sports Week
Join us while we explore the different sports that will challenge you and your peers throughout the week. From playing flag football, soccer, ultimate frisbee, and basketball, we have a wide range of sports with our own personal twist to make each activity a little bit more challenging.

Session 5: July 15 – July 19

Do It Yourself (DIY)
This week is purely focused on building on your own. Projects include calendar making, to dream catchers, to a delicious snack such as ice cream. This is a great opportunity to experiment and have fun at the same time while being creative with all your peers.

Session 6: July 22 – July 26

Backyard Palooza
We are having a block party and everyone is invited. Join us for a week-long backyard party inspired camp that will have you BBQ’ing burgers, bobbing for apples, and playing balloon darts. Help us decorate for the party, make fresh lemonade, compete in corn hole, play latter ball, or hop in a three-legged race. This is a party you will not want to miss.

Session 7: July 29 – Aug 2

California Adventure
Join us as we say Goodbye to Summer by calling out our nature lovers’, adventure seekers, and explorers. This week we will be out in nature exploring the beautiful valley, crossing the creeks, and playing in the parks. Learning to cook and prepare food in an open fire, learning to use Geocache, and participating in a scavenger hunt. End summer by taking a field trip to Dillon Beach, California.

Session 8: Aug 5 – Aug 9

AFTERNOON “OPEN CLUB”
1pm – 7pm | Maxwell Clubhouse
Grades 6 – 8

Middle School members will spend their afternoons actively participating in a wide variety of programs that will capture their attention and stimulate their curiosity.

Members will have the opportunity to dabble in arts and crafts, get active with sports in intramurals, try rock climbing, participate in cooking and spend time working on digital media and technology projects in our Computer Clubhouse.

Members will have a chance to get outdoors and hike, explore Maxwell Park and venture down the bike paths to explore their community.
OUR MISSION
The mission of the Boys & Girls Clubs of Sonoma Valley is to provide positive opportunities for youth and teens to learn, succeed and discover their full potential.

SUMMER CAMP REGISTRATION
• Registration for the Summer Camp programs begins early April
• To register visit our website bgcsonoma.org
• If you need help with registration, visit Maxwell Clubhouse located in Maxwell Regional Park at 100 W. Verano Avenue
• Membership office is open Monday–Friday 10:00am–6:00pm
• All campers MUST be current registered BGCSV members
• Our morning camps have limited availability – register early to secure your spot

CLUB MEMBERSHIP

PAYMENT & FINANCIAL AID
Boys & Girls Clubs of Sonoma Valley believes that no one should be denied participation due to financial reasons. The Club is able to offer scholarships, sliding scale and payment plans to individuals and families whose financial circumstances would prevent their children from participating in our programs. Please ask for more details and a confidential application at Maxwell Clubhouse or call 707.938.8544.

BREAKFAST, LUNCH & SNACK SERVED DAILY
In Partnership with the Redwood Empire Food Bank, Boys & Girls Clubs works hard to ensure that every child receives the nourishment they need to succeed.

• We provide a nutritious breakfast, lunch and afternoon snack every day of camp. Your child can bring their own nutritious lunch/snack if they prefer or if they have special needs.
• HEALTHY HABITS – please support us in promoting healthy habits and pack only nutritious food for your children. Soda, candy and fast food meals are NOT ALLOWED.
• Suggestions for healthy snacks and meals: fruit, veggies, nuts, energy bar, cheese, hummus, dried fruit or seaweed.

WHAT SHOULD MY CHILD BRING TO CAMP?
Campers will be spending their time both indoors and outdoors. It is important that they come to camp prepared for an active day and time in the sun. Please apply sunscreen before arriving to camp.

• Dress in comfortable clothing that can get dirty and wear closed-toe shoes (flip flops are NOT ALLOWED).
• OPTIONAL: Bring sun hat and sunglasses if needed for being in the sun.
• A water bottle and backpack to store personal items.
• PLEASE BE SURE TO WRITE YOUR CHILD’S NAME ON ALL OF THE ABOVE ITEMS.

WHAT NOT TO BRING TO CAMP
• Please do not send personal items such as special toys, electronics, phones or other valuables that can get lost.

MEDICATION
• If your child needs to take medication during camp, please ask for a Medical Policy & Authorization Form or download it during the registration process.
• Medical Authorization Form signed by a parent and child’s physician needs to be submitted to our membership office PRIOR to the start of the camp. We will not be able to administer medication without this authorization.
• All medications will be maintained with the child’s name in the administrative office.
• Children are not allowed to keep and self-administer medication without supervision.

DROP OFF & PICK UP
All members receive a membership number which members need to present at the front desk when arriving and departing the Clubhouse. ALL members must be signed out by an authorized adult listed on their membership application. Staff will request identification from adults they don’t recognize.
